

The Bible Project at Dardenne Presbyterian Church

Announcing a new web site: www.BibleProj.com

What is the commitment? Two years of study for 38 weeks each year –Old Testament year one and New Testament year two. Homework of reading and learning the concepts and locators of Scripture. Creativity in the planning of teaching methods and images. Then willingness to teach/lead classes of adults in future years through a less rigorous member-level of Bible learning for 20 weeks a year for two years. This may be team taught.

When will this course be offered? Starting dates, times and places will be determined so that everyone whom God calls to be involved can participate. Our plan is not to limit participation by day, time and place, but to let God's call be the prime factor.

How will the timing be determined? When the enrollment period concludes sometime after Easter and a sufficient number of people have made a commitment, a gathering will be set up to determine the best time/s for everyone who will take part. Plenty of notice will be given.

What to do at this time? Indicate your interest—not commitment—by filling in the form below. Pastor Jim Tony will contact you with further information and course description. Signing up on this form does not mean that you are automatically enrolled, but simply that you are considering and praying about whether God might be calling you to make the sacrifices necessary that the next generation of Dardenne Church members/friends are personally informed in an adult study of God's Word.

What is the NEXT STEP? This is the time when people are considering getting involved. Please share this crucial ministry with friends and others who may be led to participate. This enrollment period will last through EASTER. So you have plenty of time to consider and discover THE BIBLE PROJECT.
