

Kids Dog Bite Prevention

NEVER
SAW IT COMING.

Did you know that 77% of dog bites come from the family or a friend's dog? 50% of our children are being bitten by a dog by the time they are 12 years old! We must STOP that...

Dog Stars is designed especially for elementary school-aged kids.
I Speak Doggie is designed for preschoolers & up.

Both presentations include interactive videos, songs, games, fun activities, snacks & prizes and is taught with a real-life certified therapy dog to practice petting and other safe (but still FUN!!) behavior around dogs! Classes are \$20 per child and last approximately one hour. SAFE KIDS = HAPPY DOGS!
