Client: Franciscan St. Margaret Health (*Hammond, IN*)

Project Manager: Joe Gill

Project Superintendent: Jeremy Gregorec

Project Description: In the summer of 2013, Franciscan St. Margaret Health hired J.Gill to perform concrete repairs to their on-site public parking structure. The repairs included over 9,200 LF of precast tee joint sealant & 3400 LF of perimeter cove sealant. Over 70 cord connections were also repaired and waterproofed with a polyurethane membrane. The entire top level was sealed using a 100% Silane concrete sealer. The project was completed in July of 2013 with a completed contract value of over \$223,000.
