President's Message:

Hi everyone, hopefully everyone is staying healthy. Hope harvest is going safe and productive for all. After the year we've all had with bad weather in January, Covid and the Derecho, we all need a good break. Looking forward to having a good meeting on the 14th, we have a lot to cover with the RPRU 2024, merchandise and trailer. We had a very good summer show in Central City, a little warm but very enjoyable time at a new location with a lot of red on display. Director elections are around the corner, looking for anyone that wants to help lead the Chapter forward. Still looking for someone or someones to do merchandise, need an idea before end of January meeting. Be safe and looking forward to seeing all that are able to make it to November meeting. Don't forget to vote November 3rd.

Chapter 5 President -

Jeff Eldred

Director Nominations:

It's that time of year to get candidates for directors. The three terms up are 1st term for Paul Schaefer and Jeff Eldred, Ray Cook filled the unexpired term for Bobby Abrams. So Paul and Jeff are able to run for 2nd terms, Ray is eligible to run for a 1st term. Paul and Jeff are going to run for 2nd terms and Ray is going to run for a 1st term. If anyone would like to run or knows of someone who would, please let a director know so we can get bios in for next newsletter.

Merchandise Plans and Trailer:

Bobbie and Denny have set the January 2021 meeting as the last meeting they will handle the merchandise. We need ideas as to what to do with merchandise, keep it, quit, go to online only or any other ideas.

Please if anyone would be willing to take on the merchandise or if 2 or 3 couples would be willing to share it, let the directors know. Otherwise there may not be any merchandise any more.

The merchandise trailer was damaged in the Derecho storm badly enough its not feasible to repair it. But we need to know what direction merchandise is going before we think about replacing it. Right now Ray and Shirley Cook have volunteered the use of their trailer to store the merchandise in. But a decision needs to be made by the January 2021 meeting. So please talk to each other and the directors so we know which way to go. Thank you
