

Pastor Bill Yaccino

Dear Bride & Groom:

Congratulations on your decision to “tie the knot”! For over 25 years, I have performed hundreds of wedding ceremonies and helped couples start off right! If you do not have a Wedding Minister at this time and would like additional information about my services, I would love to chat with you. Some of the things I offer and value about weddings are:

- The minister has an important role that needs to allow the family to relax and enjoy the day, while providing professional services that highlight the importance of the day.
- Humor and a personal touch make for a world of difference in a wedding. I don't do “cheesy” weddings!
- I serve couples best by helping them plan exactly the type of ceremony they desire, not a prescribed script that I force on them.
- I am happy to perform weddings indoors or outdoors, formal or informal, long or short – all depending on the preference of the couple.
- Prior to the wedding, many couples desire to invest in Marriage Preparation that seeks to solidify and prepare the couple for a stronger, healthier marriage. I offer coaching and resources so you can do this on your own.
- I have been in fulltime Christian ministry for over 25 years, and am a licensed pastoral minister currently serving in the Chicago area (Missional Allies).

Here are the wedding services I offer:

Ceremony Officiant (\$600-\$700) This includes initial meetings with the couple to interview and get to know each other. Time is also spent discussing wedding ceremony ideas and flow. This includes the day of wedding services – I always arrive early! Please include parking if the venue requires off street parking.

Rehearsal Coordinator (Optional \$150) Some couples need help at a rehearsal to plan and coordinate, I can help and/or send an assistant. In some cases, the facility or hall you are married in has a coordinator, but not always.

Marriage Preparation (FREE) Because I highly recommend using the SYMBIS *Assessment* (www.symbisassessment.com) - an online tool you can use in the privacy of your own home on your time—I offer it to each of my couples for FREE (\$40-\$50 value!). It gives you an in-depth look at your relationships strengths and growth areas. You can get immediate access to your “Marriage Action Plan”. Go to www.symbisassessment.com to get started - and email me so I can give you the FREE code. It's a great way to prepare for the joy and challenges of marriage! I also offer and enjoy spending face-to-face time with couples in 2 or 3 session follow up coaching! (optional \$350)

If you would like additional information, or would like to set up a time to meet, please visit my website. You will find some comments from several couples we have served recently. I look forward to hearing from you soon. And again, congratulations! Enjoy the journey!

Sincerely,

Pastor Bill Yaccino
