Tuesday, March 23rd (March Feeder Sale)

A Note from Rick: Markets, along with numbers, were much stronger at TLA this week. As a result of the break in weather, there was definitely a lot more activity on Tuesday. Slaughter cattle and slaughter cows especially were very strong. I'm not sure how long we'll be able to sustain these prices, but nevertheless it's sure nice to get a spike like this as these markets have been pretty stagnant for quite some time now. Dairy cattle, along with calves and hay, all remained steady for the most part. The Driving Horse Auction on Saturday was very good. We had about 140 horses to offer and prices and activity were very strong. The top 10 average was \$15,810, the top 20 average was \$13,770 and the top 50 average was \$10,503. The interest and activity in the Draft Horse industry is very high and excitement is definitely building for our Spring Draft Horse Sale week. See you at TLA!
