-Public Comment- Kevin Morehouse Engine Break- #2 grey at county doesn't think signs are effective. Gene would like them. Delhi has them up but the officer said he doesn't feel effective. Passed ordinance but in reality it doesn't do much. Morehouse under impression that we had follow up enforcement on ordinances. Gene said we do but he comes at a cost. We would use delhi ordinance most likely. Sherry put on main roads like meridian, Williamston, parman approximately 6-8 signs. Kevin More house said this was mainly last fall. Guys doing the hauling now don't use them. Gene said calling Warvel seemed effective to stop the engine Jake brakes. Continue to look into. Other townships say not enough complaints to do anything.

-Neighborhood Watch- Officer hasn't emailed any more information on thefts. A jeep recovered in Grand Rapids from Bunkerhill.
