Motion made by Mark and seconded by Lisa to accept April's treasurer report

Per Debbie – *NEW TABLES* This Saturday if anybody is available to help go to Sam's Club to help pick up new tables for the station, please let me know. No more than \$500 dollars will be spent and this money will not be coming out of the volunteer account Per David.

*** BAGDAD SCHOOL SUPPLY FUND RAISER*** I have been able to get 100 backpacks donated so far.

Per Glenda – *Calls* A total of 60 calls were ran for the month of April, bringing the total calls ran for the year up to 260. A total of 9 no responses were recorded for the month of April, bringing the total recorded to 34 for the year.

Fire Training - Air Methods I have been working on setting up a training date to have both Baptist Life Flight and Okaloosa Med Flight present to do not only a show and tell of both aircrafts but also to discuss what our roles will/should be if something happens to any of the crew members. The training will focus more about emergencies we may face if a crew member(s) is/are hurt, the pilot's input of the basics about the aircrafts, and how we can help she/he with landing and lifting operations. See the calendar for the time/date/and location as well as the times you need to be at the station.

Hydrants I have started weed eating around the hydrants. To date all side roads south of the interstate minus Robinson Point and Garcon Point roads have been completed. The list I am using is in the Rescue and the hydrants that have been done are marked via sharpie. If you have time on your off days to help complete this let me know.

SMALL ENGINE SPARK PLUGS All have been replaced as of last week. The blower is out of commission due to an issue that occurred with the spark plug replacement.

Per David – *NEW EQUIPMENT* Axes have been added to the Engine.

CRAWFISH BOIL Well be held on June 1st beginning at 1600 at Mark and Diane's house.

Meeting adjourned: 2002
