Core Competencies

R&M Machine Shop, Inc. is a job shop and production part precision machine shop. Our shop is 13,000 square foot and sits on a 50 acre lot ready for future expansion. We manufacture parts to our customer's prints, drawings, or designs. R&M Machine utilizes JobBoss and Solidworks software (multiple seats) to conduct business.

Past Performance

Siemens Energy
AC Manufacturing
BK Aerospace
Marigold Works
Heavy Metal Solutions
Manville Electric Motor
Peak Substation

What Sets Us Apart

We have available capacity and can offer multiple shifts to accommodate your delivery schedule. Our goal is to provide milling and turning solutions related to reliable part procurement. R&M also offers outside services for part finishing i.e. plating, marking, anodizing.
