The Junior Doubles Tournament-FORMAT

Separate 18U boys, 18U girls, 15U boys, & 15U girls divisions

Qualifying Round

1. Each individual on a team will bowl 5 games of regular, 10-pin bowling.
2. The 5-game series scores of each team member will be added together to determine the team score.
3. Based on the team score, the top 8 or 16 18U boys teams, top 4/8 or 18U girls teams (depending on team entries) and top 4/8 15U boys and 15U girls teams (depending on entries) will advance to the Championship Round. Qualifying Round scores will be dropped.

Championship Round

Championship Round teams will compete in a Baker-format head-to-head, 2-game total pins single elimination bracket until the winner is determined.

Baker game procedure

1. All Baker games will be bowled on a single lane by each team.
2. In each head-to-head match, the higher seeded team may select their starting lane.
3. Teams will bowl 1 entire game on a lane and then switch to the other lane on the same pair for each subsequent game.
4. One team member will bowl frames 1,3,5,7,9. The other team member will bowl frames 2,4,6,8,10 in each Baker game.
5. In all Baker games, a team may change their order of bowling at will prior to the start of any game.

A tie in any Baker game will be broken by a 9th/10th frame roll-off bowled on the same lane as the tied game using the 9th and 10th frame bowlers in the same order as used in the tied game. This process will be repeated, if necessary, until the tie is broken.
