Hello fellow members

I hope you and your family are doing well and staying healthy during these difficult times. I would first like to take a moment and say thank you to the Board of Directors and the House Committee for their commitment to the Lodge and its membership. Without the help of everyone on these two boards and their devotion to the Lodge. Opening the Lodge back up would not have been possible. This has been a true team effort from Gary Coven, Randy Thompson, and Jeff Bar Hoover helping us to convert our old accounting system to the new standards requirement by Grand Lodge. The help of the chairman Larry Decker and Terry Ingalls and the members of the committees working on the State of Colorado and Tri-county health COVID-19 safety requirements. It renews the faith in the true meaning of the Benevolent and Protective Order of Elks to “cultivate good fellowship”.

well being of our members. Please understand under current guidelines, we are limited on the number of members allowed in the Lodge. To help maintain the current social distancing, we are limited to a combined 50 members in the bar and dining room. On the Lodge floor we are limited to 41 during the meetings. As the guidelines change we will keep you updated and informed of the changes.

I encourage the membership to reach and ensure fellow members are doing well and are safe. I also ask the membership to reach out to the House Committee and ask how they can help out the Lodge. if you can donate a few hours a week or even a few hours a month. The House Committee could really use the help during these times. Remember this Lodge belongs to everyone. By volunteering, not only are you giving of your time to charity but you are building brotherly love, two cornerstones of our fraternity.

Currently the Lodge is open 5 days a week with limited hours. We are working diligently to follow the safety and health guidelines for the
