

2019 Slate of Officers

President-Elect

Jamill R. Jones, Principal, Churchland Elementary

As a member of VAESP for the past 11 years, in the role of Urban Representative for the last six years, I have been afforded the opportunity to serve and represent the VAESP Board of Directors in numerous capacities at the state and national level. My tenure includes serving on the VDOE Attendance and Truancy Committee, participating in the Virginia Workforce Conference, serving on the NAESP National Nominating Committee, and representing the board on the Mary V. Bicouvaris Virginia Teacher of the Year Program Committee twice. Other roles and duties as a member of the VAESP Board of Directors include membership on the Bylaws, Election and Nomination and Professional Development Committees, articles for Virginia Principal newsletter, collaborating and assisting with the establishment of local VAESP affiliates, participating in events such as Virginia Secretary of Education Teacher Recruitment Summit, and attending national and state conferences.

I am honored to serve on a board which reflects the fundamental purpose of education and exemplifies my passion as an elementary instructional leader; ensuring excellence and equity for students and advocating for principals within the Commonwealth of Virginia. "Education is the most powerful weapon which you can use to change the world," according to Nelson Mandela. Hence, I believe serving in the role of VAESP President- Elect will afford me the ability to advocate for principals and aspiring principals and facilitate equity and equality for all students across the Commonwealth of Virginia.
