The Reverend's Ruminations – October 2020

Volume 1, Issue 7

First Congregational United Church of Christ

Throughout the last six months, my constant refrain seems to have been, “Stay tuned!” Well, I’m continually encouraged by how many of you have indeed “stayed tuned” for the many adjustments necessary to survive and thrive amid a worldwide virus pandemic. Spring brought unprecedented school, church, and business closures that had some of us in a bit of a panic. Summer enticed us with beautiful weather that allowed many of us to get outdoors for exercise and limited travel, but event postponements and wide-spread festival cancellations kept us from enjoying the warmth and sunshine in quite the way we’re accustomed to. Now this fall’s “new normal” includes evolving school schedules and off-then-on sports seasons. At least autumn in Minnesota brings the welcome constant of cooler weather, beautiful leaves, and what appears to be an early-and-bountiful harvest.

As these many weeks have passed, we’ve adapted to various “virtual” forms of worship, Zoom Board and Council meetings, and now progressed to a “hybrid” streaming worship service with limited in-person attendance, physically-distanced and masked Board/Council meetings, outdoor Bible study (until it gets too chilly), and a well-received drive-thru version of our Free Community Meal. Through it all, we’ve each learned new skills and terms, reignited old methods of entertainment (perhaps even some good old methods of communication), and striven to prayerfully support one another through what are surely the strangest days many of us have ever experienced.

If that wasn’t enough, we’ve also tried to move forward through the seasons of the church. We’ve recently added a new method of communion for those who choose to attend in person, using pre-filled individual servings of juice and a wafer. The Christian Education Board has been hard at work cleaning and painting the Sunday School area on the church’s third floor, only to have COVID-19 cases spike in Martin County and send the local school district into full distance learning—cancelling our annual Rally Sunday and Sunday School kick-off. But the refrain rings out again: “Stay tuned!” With a new curriculum to go along with the new-look Sunday School rooms, there are virtual options being prepared for our church kids. Emails will be going out to parents, but you’re all encouraged to look up and “like” our new Sunday School Facebook page [@FirstCongoUCCSundaySchool](#) in order to keep up with the latest announcements and class options. Confirmation and adult options will be coming soon as well!

Now unless you’ve literally been living under a rock the last few months, you realize that there is something pretty important coming up in November. As your pastor, I have assured you in the past that I do not preach politics from the pulpit. Just like you, I have my opinions about the upcoming Presidential election; but one of the beautiful things about the United Church of Christ is that its membership encompasses a wide variety of personal political and social beliefs. Whether or not you have strong feelings one way or another, I absolutely encourage you to VOTE on November 3 (or by absentee/mail-in ballot if you do not feel comfortable going to a polling place amid the pandemic). As the prominent and influential Greek statesman, orator and general of Athens, Pericles, once said, *“Just because you do not take an interest in politics doesn’t mean politics won’t take an interest in you.”* We are all members of this democratic nation, and we each have a role to play in keeping government accountable to the people it serves.

We just finished several weeks of studying Paul’s Letter to the Romans during our Sunday sermons, and although we didn’t specifically unpack the first half of his thirteenth chapter, I encourage you to open your Bibles at home and spend a few moments examining his wisdom about Christians and their relationship to the governmental authorities of our day. His words ring true centuries after they were penned! As we move toward another major election, I pray that our nation can find ways to unite itself and truly be guided by principles pleasing to our powerful and grace-filled God.

Yours in Christ,

Rev. Cory Germain

LOVE

Beloved,

Beloved,
let us love one another,
because love is from God;
everyone who loves
is born of God
and knows God. 1 John 4:7

Our Calling: Three Great Loves

By the Rev. Dr. John Dorhauer, General Minister and President

"Three Great Loves," a shared initiative of United Church of Christ congregations, conferences, and the national setting, engages all of us in faith-inspired work for a more just world. Together, we change lives.

This initiative reflects the deep purpose, mission, and vision of our Christian movement.

Our purpose arises from Jesus' greatest commandment: we will love the Lord our God with our whole heart, mind, soul and strength; and our neighbor as ourselves.

Every congregation names its mission slightly differently, but as I travel around the country, I find our congregations living out their purpose through a missional commitment to love, welcome, and justice. Spoken in different ways, we share a common mission: united by the Holy Spirit and inspired by God's grace, we love all, welcome all, and seek justice for all.

Our mission as the United Church of Christ points towards a shared vision: a just world for all. Many of us came to the United Church of Christ because of this sense of purpose, mission, and vision. But we need to ensure we do more than speak words. We make our commitment real by embracing Three Great Loves:

The love of Neighbor
The love of Children
The love of Creation

Over the next few weeks, leaders in your congregation will share stories of the ways your congregation and our wider movement live out these Three Great Loves. And then, you will be asked to make a commitment of financial support to the work of your local congregation and the wider United Church of Christ.

We believe an entire Christian movement that is willing to engage in an extended time of mission to serve these "Three Great Loves" can change the world. We know that your part in this mission matters – no matter where you are located or how large or small your community.

Friends, the world needs our great love. Together, our love for the world can transform it.

As you may remember from our annual meeting, this year the Council has assumed the responsibility of the Finance Committee. David “ace” Adams is heading up the stewardship campaign, following the guidelines of **Three Great Loves**. Please use the enclosed card in an upcoming mailing with the details to make your pledge and return it either by mail or by attending worship Sunday, October 25.

While there are many ways to support the congregation, our annual campaign provides a chance to think in a particular and prayerful way about the choices we make with our money in support of the church. Without your gifts to the annual pledge campaign we would not be able to engage in the programs, projects, ministry and worship experiences that define our community life.

Especially now with the COVID-19 issues, deciding how much of our income to donate to charitable organizations can be difficult. We encourage the Biblical model of a tithe, a gift of 10% of one’s income to charity. Knowing that our church is one among many organizations doing good and meaningful work, we encourage our community to think of a tithe as giving 5% of income to the work of our church and 5% to the work of other charities one supports. We see tithing as the goal in our practice of abundant generosity.

Many more of us are on a journey towards abundant generosity. As you think about your own practice, we suggest steps in moving towards a tithe.

We hope that as you consider your giving for the coming year, you will take a step towards greater generosity in your pledge. All pledges and gifts to our congregation help strengthen who we are and what we can do together. Because of you, our church shares God’s love.

Jesus calls us to share God’s love. In the United Church of Christ, we respond to that call by embracing **Three Great Loves**. What we do reflects the wisdom of scripture, “Beloved, let us love one another, because love is from God; everyone who loves is born of God and knows God” (1 John 4:7). When acting in loving ways, the very spirit of God moves through us.

Across our Christian movement, we embody God’s love in three ways:

- Love of Children • Love of Neighbor • Love of Creation

The ways we share God's love in our congregation may not look the same as the ways another United Church of Christ congregation witnesses to God's love.

Our priorities may differ. *In fact, they differ within our own congregation.* But that is what makes us a church, a church united in a shared commitment to be God's hands and feet in making a more just world for all.

Three Great Loves is us, collectively, as a united church, putting "hands and feet" to our Purpose, Vision, and Mission. Living out God's love, living out our purpose, vision, and mission, transforming the world, and making a just world for all through the lens of **Three Great Loves**.

That's what **Three Great Loves** is about. The amazing stories of our faithful and transformative ministries as we live out God's love and help make a just world for all. In October, we will hear our own stories during a Stewardship moment.

10/04 (Love of Neighbor)

10/11 (Love of Creation)

10/18 (Love of Children)

10/25 (Pledge In-Gathering)

The work of our congregation to manifest God's love in the world can happen because of the generous financial and volunteer support of our members and friends. Because of you, our church expresses God's love in our community.

INTERVIEW

Interview with Jodie Wessel Whitmore on

Jodie grew up in Fairmont and was confirmed in our church. She was graduated from Fairmont High School. After high school she attended Anoka Vo-Tech for about a year and then she found a position at Rise Inc. working with adults with disabilities. From there, she went to DAC in Sherburn.

She was married and had three children: Dayton, Cameron, and Colby. Unfortunately, Cameron was too small to survive. During this time she did day care for 22 years. She was a member of the Firemen's Women's Auxiliary.

Sometime after her divorce, she and Al Seibert became a devoted couple. She has been active in so many areas of the community--serving Rotary for seven years, Fairmont Area Foundation, a member of Fairmont Chamber of Commerce, and Moss (Appeal). She is currently at the former Village Cooperative--now The Meadows--for 15 years. She has served on several boards at church, Chair of our Harvest Festival, and a part of our choir.

Jodie became a part of another family when her mother Shirley Wessel married Dave Wallien in our church. During that time not only did Jodie sing in our choir but also Shirley & Dave did.

This vibrant woman has experienced much adversity but she continues to be a vivacious and joyful person, as evidenced by the laughter throughout our interview!

~ Pastor Cory

Since our Sunday School season is temporarily on hold, maybe it's time you and your family do a little self-study on Jesus. Yes, Jesus is a broad topic, but getting to know him and developing a closer relationship doesn't have to be a long, daunting task. In four short, 14-22 minute sessions, speaker and author David Nasser can help you understand quite a bit of what makes Jesus the center of our faith. Here is a brief synopsis of **Why Jesus?**:

Culture is blurring the lines between different faiths. It is increasingly difficult for people to grasp how their faith in Jesus Christ is unique.

In these four powerful video Bible study sessions, David Nasser addresses the tough questions that people have about Jesus and points them back to the scriptural truths about our Savior.

Filmed on location all throughout Israel and includes teaching from Jerusalem, Bethlehem, the Sea of Galilee, the Garden of Gethsemane, the Mount of Olives and the Mount of the Beatitudes.

You'll notice elsewhere in this month's newsletter that we're entering stewardship season, a time when our Church Council and Boards will be looking at budgets and individual pledges for the upcoming year. Perhaps this would also be a good time for each of us to be honest about our family finances! Many of you are probably familiar with Dave Ramsey, the well-known teacher and advisor on the relationship between faith and finances. In a three-session series entitled **Life, Money & Hope**, Mr. Ramsey introduces the connection between money and the Bible. Here is a quick description:

Is God concerned about your financial situation? What does the Bible have to say about debt? What is the most important thing to know about money?

In these three engaging 30-minute sessions, Dave Ramsey—a personal money management expert, popular national radio and television personality, and the best-selling author of Financial Peace and The Total Money Makeover—looks to Scripture as he discusses several critical issues about your personal finances.

Due to COVID-19, we will not be able to have a harvest festival or cookie walk this year. However, we are planning on offering homemade pies for Thanksgiving. Watch for more info at a later date on choices of pies and how to preorder your pies. We are looking forward to baking for you!

During the same four weeks, \$7,780.52 (5.18%) worth of **Fareway slips** were received. After 102 weeks, Fareway is at \$118,291.79 (78.86%) toward our 3rd \$1,000 from Fareway Store. Based on history, it will be June of 2021 before the goal is reached.
