EMPLOYMENT OPPORTUNITY

Village of Gold River
PO Box 610
499 Muchalat Drive
Gold River BC
(250) 283-2202

APPLICATIONS ARE NOW BEING ACCEPTED FOR THE FOLLOWING POSITION:

Position: Utility Labourer – Full-Time
Location: Public Works
Department: Public Works

Date: December 4, 2018 (internal/external)

FUNCTION:

Under the direction of the Utilities Supervisor or designate will perform the duties of the Utility Labourer in Waste Water Treatment, Waste Water Collection and Water Distribution. The Utility Labourer will perform general labour duties and assist in the operation of sewer and water construction, repair, maintenance and operations. Will be required to use various hand tools and small equipment related to the work and may also be required to operate mobile equipment and trucks as needed. Will perform all such other duties as may be required from time to time and may be scheduled to work in other municipal operations such as Solid Waste/Recycling, Streets & Sidewalks, Parks, etc. Rate of pay shall be $25.64/hour 40 hours per week, Wednesday to Sunday. Group Plan Benefits (MSP, Pacific Blue Cross and BC Life Insurance Benefits) will become effective after successful completion of the sixty (60) calendar day trial period. A complete job description is available from the Village Office. This is a training position and the successful candidate must complete the Waste Water Treatment Level 1 and Water Distribution Level 1 courses under the B.C. Environmental Operators Certification Program.

REQUIREMENTS/QUALIFICATIONS:

Grade 12 Graduation or GED equivalent. Valid BC Driver's Licence – Class 3 with Airbrakes or better. General knowledge of water distribution and waste water collection system operating principles and practices. Will have the ability to use hand tools, instruments and power equipment (i.e. pavement cutters, saws, etc.); knowledge of safe operation of equipment. Will have physical strength, agility and co-ordination to perform the work in all weather conditions. Will have the ability to use tact and courtesy when dealing with the general public. Will have good oral and written communication skills. Successful completion of one EOCP approved Water/Waste Water Level 1 Utility Training Course or California State University Office of Water Programs correspondence course relating to Waste Water Treatment 1, Waste Water Collection 1 or Water Distribution 1.
