

## STUDENT LEADERSHIP SYLLABUS | CHARACTER

### LEVEL 1 | Character

Here we have provided a sample outline for your student's leadership training curriculum. We recommend choosing one day per week that will serve as your leadership training day. On this day, your student will follow the prescribed lesson plan below.

If you will be using the entire leadership package, you will make use of each of the resources mentioned in the outline. If you have purchased portions of the package, you will only complete the steps for the portion you own. For example, if you purchased the KUEST Kids Novels only, you will follow the outline for the novels and ignore the Journal and Lesson portion of the schedule.

Once your student has completed that particular lesson, they may mark the date they completed that lesson in the appropriate box.

The resources referenced in this outline include:

- All 3 KUEST Kids Adventure Novels ("The Ride", "The House on Dreary Drive," and "Grand Galleria")
- KUEST Kids Journal
- KUEST Teacher's Manual

If you have any questions about using this syllabus, reach out to us via EMAIL at [support@kuest.org](mailto:support@kuest.org).
