

## Fire Inspectors & Fire Code Enforcement Officers

You are cordially invited to send Fire Inspectors and other Fire Code Enforcement Officers to an ADS Security sponsored one-day NFPA Seminar to be held on March 10, 2020.

This one-day event will be held at "Oxford Library" located at 110 E 6<sup>th</sup> Street, Oxford, AL 36203. Pre-registration is required. The Seminar starts at 09:00 am and will conclude by 5:00 pm.

Our Seminar Instructor will be Mr. Art Black, a noted Fire Code Instructor and Consultant with Carmel Fire Protection Associates, a firm specializing in fire prevention program services to fire departments and other public sector jurisdictions.

The course will include:

- Introduction and Administration
- Historical Context of Today's NFPA 72
- Code Changes in NFPA 72 - 2020
- Hood System Inspection, Fire Sprinkler System Inspections
- Required Systems vs Voluntary Systems
- In Building Communications Systems (BDA)
- Carbon Dioxide Detection

Attendees will receive a certificate for "6.5 Contact Hours" at the conclusion of the Seminar.

Please e-mail your attendee names and their title to Mrs. Jessica White, Fire Inspections Coordinator for ADS Security L.P. at [jwhite@adssecurity.com](mailto:jwhite@adssecurity.com) no later than March 1, 2020.
