Mr. James Pinkley

Bel Air, MD

Dear Mr. Pinkley:

Thank you for contacting me about a proposed bill that would prohibit male circumcision. I was glad to hear from you.

As you know, this legislation has not been introduced in Congress. However, I will certainly keep the information you sent me and give it every consideration should pertinent legislation be introduced. I look forward to learning more about this issue, something it is obvious you are very passionate about.

Thank you again for taking the time to write. I hope you will not hesitate to be in touch with further information, or comments or questions about issues in Congress.

Sincerely,

Wayne T. Gilchrest
