

THE BILGE PUMP

Keuka Yacht Club

Volume 37, Issue 14

August 3, 2021

RACE RESULTS

Last weekend, two Lightnings attempted to race on Sunday but had to turn back and race to the dock before the storm hit. The race committee made a good call to abandon the race during the middle of a long downwind leg with Lana Grauer leading and Roger Slade chasing with chutes up. Skies quickly became dark and lightning showed up right as they arrived at the dock. They left their boats near the lift and waited out the rain and lightning until it stopped for a bit.

The E-scows got in two races on Saturday at Chautauqua Lake Yacht Club in Leg 2 of the NYS Championship but also could not get in any races due to the bands of thunderstorms passing through the area on Sunday.
