WHAT IS THE NEW MEXICO COMMUNITY HEALTH WORKER ASSOCIATION?

NMCHWA is an organization by and for community health workers whose mission is to nurture the community health worker model to collectively improve access and quality of health care for New Mexicans by advocating for and empowering its members.

GOALS

1. To seek acknowledgement of the CHW/Promotora/CHR model.
2. To promote credibility for the profession and a voice for workers & programs.
3. To provide education & training for CHW/CHRs at national, state and local levels.
4. To seek membership that reflects the entire community of CHW/CHRs state-wide.
5. To develop leadership among its members.
6. To provide CHW Certification Training.
