~COMMANDER~

The Stephen J. Chaney Memorial Highway Dedication was a great honor for Captain Chaney to receive from the State of Ohio. I was proud to see how well this dedication ceremony was attended by our membership and guests. Our thanks go out to State Senator David Burke and his aide Jacob Dowling for making this award possible. I also want to recognize the Marion County Honor guard for honoring our fallen hero with military honors to complete this event. Additionally, the 35th Anniversary Party celebrating the chartering of our post was a great success. My thanks goes out to all our service organization members for their support and assistance throughout 2018. As you visit our post in January, please, take a second to recognize our employees for the great service that they provided to our membership in 2018.

With the beginning of a new year, we will have new challenges to face. We still have improvements and repairs that need to be made in the upcoming year. These improvements can be accomplished if we are able to maintain our current rates of membership participation. This will guarantee that our current revenues will match our operating costs and we should be able to slowly save enough to make the repairs that are needed this coming year. Again, the officers of this post must plan accordingly and make sound management decisions to reach our goals.

In a related topic, if you are reading this newsletter, then you are a part of this post. It is up to you, the members of this post, to become active in the management of its operation. Our leadership and post officers must come from our membership. Therefore, I am inviting any regular member that is interested in our post or has any questions to come forward and become more involved by attending any of our monthly board meetings. Don't sit on the sidelines if you have ideas and skills that can improve this organization.

I am proud to say that VFW Post 7201 is looking forward to having another successful year in 2019. We are grateful to have all the service organizations affiliated with this post pulling together, helping to ensure our success. The post has been able to support the veterans of this community because the veterans of this community have supported this post. Thank you all for your participation. Looking forward to seeing everyone in 2019.
