

## Who We Are

Eventful Days is a full-service event planning agency that specializes in creating unique, one-of-a-kind events that are designed to reflect the personality of each client and the purpose of each event. Whether it's a once-in-a-lifetime celebration, a small social gathering, or an all-business corporate function, Eventful Days collaborates with clients to understand their vision and execute an event that exceeds their expectations.

## Why Choose Us

Eventful Days utilizes a strategic, streamlined method, which allows you the luxury of actually enjoying the experience. We take away the guesswork and take on the legwork, saving you time and reducing your stress. Through our personalized approach, your vision becomes reality.

*We create the event. You create the memories.*

## Our Promise to You

"I do" are just two words. But they are two words packed with meaning. They are two words that change your life. And they are two words that join two lives together in the culmination of one incredible celebration.

It's relatively simple, but incredibly complex. Eventful Days understands the intricacies behind that one incredible celebration. That's why we take careful planning and collaboration seriously. That's why we take your vision and tirelessly weave every last detail seamlessly together to create one fully-designed, customized wedding that leaves a lasting impression. That's why we are there for you every single step of the way.

As you join your two separate lives with these two little words, let Eventful Days help you create one extraordinary celebration.

## What We Do

Eventful Days offers event planning services for a variety of personal and professional gatherings, including:

### Weddings

Eventful Days offers full-service wedding planning and styling, including "day of" wedding coordination. We strive to exceed your expectations with professional service in a personable manner.

### Social Celebrations

Eventful Days coordinates reunions, anniversary parties, elegant dinner parties, birthday celebrations, bridal and baby showers, and more.

### Corporate Planning

Eventful Days plans internal events such as corporate meetings, retreats, seminars, and social gatherings as well as external events with clients such as brand-immersed experiences, dinner parties, and golf outings.

## About Us

A native New Yorker, Kristin Buonaiuto drew upon her eight years of professional and personal experience in regional and national event planning and founded Eventful Days, a full-service agency dedicated to comprehensively designing, planning, and executing events of all kinds. A stickler for detail, Kristin is meticulous in her efforts. Her positive attitude, determination, and ability to keep calm under any and all circumstances makes her efforts look . . . well, effortless. Whether it is a corporate event or a social celebration, Kristin consistently translates each client's vision into a unique personal event with both coordination and style.

No matter the size or type of event, we take the time to understand your needs and create an event that is a true reflection of you.
