Discussion: Membership Meetings to be monthly or quarterly, unanimous for monthly meetings

Event Planning, looking for some committee members, talked about Krazy Daze in particular. The day is set for Saturday, July 11. We passed around a sign up to be part of the planning. We would love to see committee members to be represented by retail, restaurants, and professional offices. Suggestions to continue horse wagon rides, building tour, and children group performances. Are you interested in helping make Krazy Daze a success, let us know?

Updates from: City of Manitowoc, Maritime Museum, Clipper City Co-op, Visitor and Convention Bureau, Manitowoc Public Library, and Ascend
