- Had a good crowd for our Spirit Night at Buffalo Junction, not sure of total raised yet
- Will have Boston Butt cook-pick up at Home game on Sept 7. Will take pre-orders and have extra to purchase on site.
- Winners for highest raised for Saints Drawing, were Noah Harrigel (\$100), John Davis (\$50)
- Greg got with Sharkey Teez for another shirt and hats. Should have before Sept 7 game.

#### **Maintenance/Equipment/Uniforms:**

- Greg plans to paint the field Tuesday morning for Wednesday's games. If he is not able to do this he will ask for help for Tuesday afternoon.

#### **Volunteers/Games:**

- Kick of Classic game discussion:
  - a) A lot of changes made that the QBC was not made aware of. Greg talked to coach Conti and requested a member of the QBC be involved in discussions that concern changes at the games.
  - b) A lot of complaints about charging full price for students/elementary/all children. Some families left because they couldn't afford to pay that much.
  - c) We lost a lot of money on parking because we could not park anyone in the back or on the grass. Lot was full by 710 and we had to give money back.
  - d) Paid Criminal Justice for students to help park, they were on the track by 615, not in the parking lot, need to train them on what needs done.
  - e) Complaints about concession not being opened before game. Will bring this up to band before next home Varsity game.
  - f) Paid Ticket Takers were at the game, volunteers helped until they showed up
- JV/Freshman games on Wednesday, Aug 22 will be swapped. Freshman play at 5, JV at 630
- Still need volunteers for Chains for Wednesday. Julie and Dianne will sell tickets.
- Varsity will play at Escambia Thursday at 7pm.

#### **Additional Items**

- Greg to confirm Yacht Club still available for Varsity/JV banquet December 2.
- St. Lukes not sure if they can do Freshmen banquet on a Thursday. Will look into other venues, maybe a different night/later time.
- Voted to have Senior Night, last home game, November 2 vs Washington
