

## Virginia CivilWare 11 Annual Renewal

1. Open a browser and proceed to the License Portal Home Page  
<https://secure.softwarekey.com/solo/customers/Default.aspx>

The screenshot shows the 'LICENSE PORTAL' interface. At the top, there is a navigation bar with 'License Portal Home > Log In' on the left and a 'Log In' button with a lock icon on the right. Below this is a section titled 'Log In to Your Account'. It is divided into two columns: 'Existing Customers' and 'New Customers'. The 'Existing Customers' column contains instructions for logging in with a Customer ID, License ID, or Invoice Number, and a note that license activation passwords are not valid for logging in. It features two input fields for 'Email or Login ID' and 'Password', a 'Forgot your password?' link, and a 'Log In' button. The 'New Customers' column contains instructions for logging in with an email address and a 'Continue' button. The input fields for the existing customer section are highlighted in yellow in the original image.

2. Enter your Customer ID (or email address used for the customer profile) and Customer Password. Your Customer ID can be found in the email in which you received your CivilWare 11 licenses. **\*Note: If you cannot find the email containing your CivilWare 11 licenses, please email us at: [lawtechsupport@athenasciences.com](mailto:lawtechsupport@athenasciences.com).**

3. Once at the License Portal Home screen, please select the “Renewals & Upgrades” button.
