

CORONATION DANCE FESTIVAL 2023

The Coronation Music Festival is a non-profit society which aims to promote the advancement of performing arts excellence and appreciation in our area, and to support community access to music and the arts.

The Coronation Music Festival was founded in 1962 to provide opportunities for Coronation and District performers to receive guidance in our own community from experienced professional adjudicators who come here from all across Alberta and Saskatchewan.

The Festival with the generous support of community donors makes it possible to provide awards and scholarships annually to outstanding individuals and groups to encourage their ongoing development as performers. Many students pursue extracurricular workshops with financial assistance from Festival awards. We encourage all festival participants to take advantage of this opportunity by completing the scholarship application found on our website. Each year exceptional performers are selected to gain additional experience by participation in the Provincial Festival.

Dancer's Creed

I will always conduct myself

In a Friendly, sportsmanlike manner,

*Heeding the advice of my parents and

Be a good loser,

As well as a gracious winner,

*And always strive to make dancing a credit to
myself, my instructor and my community!*

Taylor Kiryluik

Taylor Kiryluik is a multi-disciplinary artist, educator, choreographer and adjudicator from Spruce Grove, AB. Taylor began her dance training at the age of three and has trained extensively in contemporary, modern, jazz, tap, ballet and hip hop and has a varied dance

background. Taylor has had the opportunity to train across Canada, the United States and France and is a creative and versatile performer and teacher with a quirky and fun approach to her craft.

Taylor holds a Bachelor's Degree in History from the University of Alberta. Her love of history transpired into the dance world, creating many pieces based on historical events or persons. Having graduated from Victoria School for the Arts where her main focus was in contemporary and jazz, Taylor spent a great deal of time learning the history of modern dance and tap techniques as well. She continued her study of contemporary dance during her post-secondary years and was scouted to the University of Philadelphia's Dance Program. She also received a scholarship for the 'Centre de Danse du Marais' in Paris, where she fell even more in love with the craft. Dance has allowed Taylor to travel the world while performing in cities across Spain, as well as in London, Miami and New York.

Taylor chose to stay true to her Canadian roots and grow with dance in Edmonton where she competed and worked professionally with BBM, and YEGrBombz, and is one of the original members of Mod Contemporary Company through the University of Alberta. She has opened for Hip hop artists KYLE (iSpy), Kirko Bangz, Jadakiss and Jay Sean. Though she loves performing, Taylor maintains her career and has found her niche as an educator and choreographer. Winning several accolades and scholarships from her choreography, Taylor continues to breathe fresh and fun ideas into the community. She has been inspiring students with her creativity, style and passion for dance for the past 12 years and is looking forward to sharing her love of dance with everyone this weekend!

Brittany Black

Brittany Black is a versatile dance educator and choreographer in Edmonton, Alberta. She is currently an instructor with Grant MacEwan University with the Music Theatre Performance program. Brittany recently retired from her position as Artistic Director and Owner of Emerge Dance Academy in Edmonton, Alberta in order to spend more time with her young family.

Brittany has also performed as an artist in local productions and continues to work as a freelance guest teacher, adjudicator, and choreographer. Her innovative choreography has been seen in many performances and events including local commercials, musicals and music videos.

In addition to her dance training Brittany was an English major who also studied Modern Dance and completed a Diploma in Television Broadcasting. Brittany spent many years as a video editor, director and producer and still works as a freelance producer for Hoopla Media in Edmonton. Her love of dance, her education and her experience in the production industry has given her a unique and creative sounding board for her ever-growing journey in the dance and theatre industry. As a studio owner she enjoyed creating an environment for dancers that is safe to grow in, unique in both choreography and music, varied in educators and mentors and most of all...a positive community.

Sharing the love, art and freedom of movement in dance with students and colleagues is extremely important to her. She finds great joy in continuing to watch her student's progress each year and share their achievements: in classes, exams and especially... on stage!
