

FROM THE PRINCIPAL'S DESK

Dear Friends of Sts. Peter and Paul:

If we remember Pope John Paul II's encyclical, *The Gospel of Life*, we see how much hope and inspiration it promotes since the fertilization to natural death. Respect Life Ministry centers on life and death issues at all levels of our country.

We, at Sts. Peter and Paul School, take very seriously the words of Pope John Paul II when he said, "It is impossible to further the common good without acknowledging and defending the right to life, upon which all the other inalienable rights of individuals are founded and from which they develop." Thus, On December 8, we will present during the school Mass those items which we have collected in our classroom in our Respect Life Campaign.

We thank those who have contributed with their time, talent and treasure to this worthy cause as we feel that respecting human life is our common responsibility.

We also thank those who brought canned goods during the week of Thanksgiving. The canned goods were donated to Camillus House. May the Lord bless your generosity.

In faith, hope and love,

Carlota E. Morales, Ed.D.
Principal
