

**District 7360 Community Grant Application 2019-20**  
**Rotary Club of State College/Downtown**  
**Application Deadline: Aug 31, 2019**

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Solving real problems takes real commitment and vision.

For more than 30 years, the State College Downtown Rotary’s people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Applicants should submit projects that have an impact on our local community and should fit within our club’s mission to focus on children and youth. Each Rotary club may award only one district grant per year. The maximum amount available from our club for 2019-20 is \$11,400. Funds must be used for something tangible. Operating expenses or salaries can not be funded. Grant monies are typically available by December 1 and the project must be completed by the following June 30.
