

NORTH COUNTY TUTORING PAYMENT CONTRACT

Due to the demand of NCT services and the constant last-minute cancellations, I am forced to implement a new payment system that will hopefully allow all willing students to partake in tutoring. The new policy will take effect September 1, 2019.

- Payment is due by the 28th of each month for the upcoming month at the current rate of \$25 for a half hour and \$40 for an hour (by cash or check).
- If payment is not prepaid for the next month then your credit card will be charged for the month at the rate of \$30 for a half hour and \$45 for an hour on the first of the month.
- As holidays and school schedules may conflict with the payment schedule, please keep an eye on the board for any changes.
- Open homework students can continue to pay as they come.
- Small group students are required to pay their monthly fees by the 28th of the previous month. If payment is not complete, an additional fee of \$10 will be added.

I have not raised the rates in the last eight years and I take pride in being the lowest cost licensed tutor in Indian River County. I have thought for a while about a system that will not punish those who are respectful of our time. After extensive research, this contract is my solution. I never wanted to be a business woman; I just want to teach. However, due to the lack of respect for the tutors' time, a new system had to be implemented. Thank you in advance for your understanding and cooperation.

I authorize North County Tutoring to charge my credit card for academic services to be rendered. I understand that monthly charges for my child's tuition will be billed to this card on the first of each month.
