Kathy has been diagnosed with Stage 4 Renal Carcinoma. She has had one kidney removed and is on the highest dose of chemo possible for this type of cancer. Subsequently, travel and treatment costs have depleted her savings. We are asking your help in defraying some of these costs. Your donations will be greatly appreciated! An account has been set up at First National Bank in Akeley if you care to donate that way.

Any questions please contact Sherry Grantham 218 652 2074 or
Jennie Rounsville 218 301 4623.

P.S. Aug. 16 is also Kathy's 70th birthday!
