

## Tech Night / Social - July 11, 2015

Our Club Run for July was actually a Tech Night/Social held on July 11 at Jack and Connie's home. The event started around 4:00 in the driveway with "Show and Tell" of our Jeeps and flexing on the RTI ramp. (Thank you Rafael for helping and taking pictures!) We moved inside to the air conditioning and Jack gave an informative presentation on Suspension Geometry that we all enjoyed.

After our class, we had dinner. Jack and Connie had prepared a large quantity of awesome BBQ spare ribs, green beans, rolls and ice cream with toppings for dessert. Doug and Joyce prepared 2 large pans of macaroni and cheese. Natalie brought watermelon. It was all very good. Thank you!

Jack's Jeep Box was also raffled off. Joyce Phillips was the winner. We raised \$400 for Arms of Hope. Yea! More money for a GREAT cause! Thank you to all those who donated!

There were 37 members present: Jack and Connie, Doug and Joyce, Trey M., Val and Vallery, Steve S., Andrea, Chase and Natalie with Hali, Glenn and Debra, Tony R., Milt and Donnalee, Joe and Tracy, Sandy and Neil, Kevin J., Jesse and Denisse, Rafael, Barry and Carla, Doug and Lisa, Artie and Bunny, Tim D., Christine and Andrew, Craig D., Scott W., and Tim L.

We also had 2 new members come to the event and join SAJE: Joe and Lorinda Rodriguez. They are experienced Jeepers who have moved here from Salt Lake City.

Welcome to San Antonio and SAJE!
