

# Chesley Curling Club

To All Chesley Curling Club Members

August 18, 2021

As Summer winds down, we are now approaching another curling season. Last season presented many challenges but we managed to continue to curl even if it wasn't what we were used to.

A big thank you to your Board of Directors who had many tough decisions to ensure our club and members remained safe.

Our plan is to continue to curl this fall and we have put the wheels in motion to have an enjoyable curling season. Stay tuned as we get ourselves organized.

Your Board met recently and in order to conduct business, we need to have a meeting of the members. Since the Annual General meeting did not occur in 2020 or 2021 we have decided to call for a meeting this September 12 at the new Pavillion at the Chesley Community Park. We will be able to have a social visit as well as conduct the business that needs to be dealt with including elections.

We are suggesting from 3 to 6 pm which will include a time for social, business and a light meal. Please plan to attend and reply to this email your intentions. Your spouse is welcome to join you at a cost of \$7 (if not a member) If numbers are too high to meet health guidelines we will need to limit it to members only.
