Questions to ask Dan about his Book Projects - Clinic - Why People Get Ill - Educational Philosophy for the Listeners!!!

1. For our listeners, share with us what a Naturopath is?
2. How did you come up with the idea for your past booklets?
3. Tell us a little about your newest book release?
4. What should a person know if they are new to Naturopathic Health Care?
5. What age groups benefit most from your type of care?
6. You mention Barriers that interfere with healing, tell us more about that?
7. Would you explain the therapies you use?
8. Tell us more about Kinesiology?
9. What makes Naturopathic Therapy better than pharmaceutical therapy?
10. What can the investment be for a person to use Naturopathic Therapies?
11. Will insurance help?
12. In your booklet, you mention 6 Key areas that must be monitored closely in order to achieve maximum results. Can you briefly explain those key areas for our listeners?

The preceding questions are supplied as a professional courtesy to the host. Most hosts find that these are questions most suitable to the topic and their listeners and would have asked them anyhow but it is nice to be prepared in advance. We both come across more professional that way.
