

CALL FOR PAPERS

The 18th Asia Pacific Symposium on Intelligent and Evolutionary Systems

10-12th November 2014, Singapore

The International
Neural Network
Society (INNS)

Organizing Committee

General Chair

Kay Chen Tan

National University of Singapore, Singapore

General Co-Chair

Yew-Soon Ong

Nanyang Technological Univ., Singapore

Program Chair

Hisao Ishibuchi

Osaka Prefecture University, Japan

Program Co-Chair

Hisashi Handa

Kindai University, Japan

Special Sessions Chair

Justin Pang Chee Khiang

National University of Singapore, Singapore

Poster Sessions Chair

Suash Deb

Cambridge Institute of Technology, India

Registration Chair

Huajin Tang

I2R, A*Star, Singapore

Local Arrangements Chair

Qi Cao

Nanyang Technological Univ., Singapore

Publicity Co-Chairs

Kai Qin

RMIT University, Australia

Ke Tang

Univ. of Sci. & Technology of China, China

Swagam Das

Indian Statistical Institute, India

Mengjie Zhang

Victoria Univ. of Wellington, New Zealand

Aki-Hiro Sato

Kyoto University, Japan

Publication Co-Chairs

Ee May Kan

Nanyang Polytechnic, Singapore

Zexuan Zhu

ShenZhen University, China

WebMaster

Liang Feng

Nanyang Technological Univ., Singapore

Aims and Scope

The Asia Pacific Symposium of Intelligent and Evolutionary Systems (IES) aims to bring together researchers from countries of the Asian Pacific Rim in the fields of intelligent systems and evolutionary computation to exchange ideas, present recent results and discuss possible collaborations. Researchers from elsewhere interested in collaboration with researchers from Asian Pacific Rim are also welcome. IES 2014 covers the topics in intelligent systems and evolutionary computation, including, but not limited to:

- Computational Intelligence
- Memetic Computation
- Data Analytics/Big Data
- Agents and Complex Systems
- Applications of intelligent systems
- Artificial Intelligence
- Machine Learning
- Artificial Life
- Applications of evolutionary computation

About Singapore

Singapore is a thriving cosmopolitan city that's brimming with diversity, as well as a multiplicity of culture, language, arts and architecture. Just like other destinations, the city has her own unique set of offerings that sets her apart. Surrounding Singapore's financial center as well as key conference locations and hotels in the city are pleasure spheres that include retail outlets, dining enclaves, performance sanctuaries and entertainment hotspots catering to every visitors' needs.

Publications and Awards

It is planned to publish the proceedings with Springer in their Communications in Computer and Information Science (CCIS) series (final approval pending). CCIS is abstracted/indexed in DBLP, Google Scholar, EI-Compendex, Mathematical Reviews, SCImago, Scopus. CCIS volumes are also submitted for the inclusion in ISI Proceedings. Selected papers from IES2014 will be invited to extend and publish in Special Issues of *Soft Computing Journal* (Impact Factor: 1.124), *Memetic Computing Journal* and *International Journal of Automation and Logistics*. All accepted papers will be considered for the *Best Overall Paper Awards* and the *Best Student Paper Awards*, which will be presented during the banquet.

Website and Paper Submission: WWW.IES-2014.ORG

Keynote Speakers

Prof. Xin Yao, University of Birmingham, UK

Prof. Nikhil R. Pal, Indian Statistical Institute, India

Prof. Hussein A. Abbass, UNSW, Australia

Important Dates

Submission Deadline: 1 August 2014

Acceptance: 1 September 2014

Camera-Ready Submission: 15 September 2014

Symposium Dates: 10-12th Nov 2014

Contact Us at: ies2014sg@gmail.com

Steering Committee

Akira Namatame, Chair

National Defense Academy, Japan

Sung-Bae Cho, Co-Chair

Yonsei University, South Korea

Hussein A. Abbass

University of New South Wales, Australia

Shu-Heng Chen

National Chengchi University, Taiwan

Meng-Hiot Lim

Nanyang Technological Univ., Singapore

Kazuhiro Ohkura

Hiroshima University, Japan
