About Us

1st State Accessibility, LLC has been active in management and sales of home modification services throughout the state of Delaware for the past five years. We strive to provide excellent service for all of your accessibility requirements. As your needs change, we are happy to assist along the way. Studies show that 9 out of 10 adults over the age of 65 would prefer to stay in their homes. 1st State Accessibility provides nearly unlimited customization and choices to keep you comfortable in your own home. We're pleased to find the solutions to your obstacles and obtain the highest possible quality of living.
