

Conjurer's Neck Christmas Eve Illumination

Each year on Christmas Eve, Conjurer's Neck is transformed into a winter wonderland with a beautiful display of luminaries lining our streets. The entire subdivision will be illuminated, starting at the main entrance. This is one of our signature annual events and a tradition enjoyed by many homeowners and visitors. However, in order to provide a spectacular illumination, we need volunteers to help prepare for this special event.

If you are available on the afternoon of Christmas Eve, we need your help!

- * Please report to the **Old Brick House at 1:00 p.m. on Christmas Eve (December 24)** to help prepare and distribute the luminaries.
- * Bring your family to the Old Brick House for a few hours of fun and fellowship with your neighbors. Hot cocoa and light refreshments will be provided! 😊
- * Bring your pick-up truck to help distribute the luminaries
(Note: children must be 10 years or older to ride in the bed of a pick-up truck).
- * ANY and ALL help is needed and greatly appreciated!

ALL HOMEOWNERS:

- * Light your luminaries at **5:00 p.m. on Christmas Eve (December 24)**.
- * Help your neighbors by lighting their luminaries if they are unable to or not at home.
- * Light any luminaries in your area that may not be lit (near vacant lots, front entrance, etc.).
- * Pick up and dispose of the luminaries in your area on **Christmas Day (December 25)**.

**PLEASE PARK VEHICLES IN YOUR DRIVEWAY ON
CHRISTMAS EVE SO WE CAN FULLY ILLUMINATE ALL STREETS**

❄️ Please call Bob Conklin: 804-895-1961 with any questions. ❄️

In the event of inclement weather, the illumination will be rescheduled for New Year's Eve (December 31).

You will receive an email notice from ConjurersNeck@gmail.com if this occurs.

If you have not been receiving our notices and newsletters, please email ConjurersNeck@gmail.com or visit our website to fill out and submit your contact information.
