Dear Tom Spoto,

For several decades, your participation, collaborations, and contributions as a Member of The Calimesa Men's Golf Club have been exceptional. Your leadership while serving as Club President for many years set the precedent for those that followed you.

As a result of your outstanding and superior membership, the prevailing Board of Directors has unanimously voted to award you with the honor of a Life Membership to The Calimesa Men's Golf Club in accordance with Article II Section 2.2 of The Calimesa Men's Golf Club Constitution and Bylaws shown below.

The honor of Life Membership may be awarded by the prevailing Board of Directors having appointed a club historian to assist in the selection process. Life membership may only be awarded by a unanimous vote by the Board of Directors. The award should be considered the highest honor attainable by any member, requiring at least 10 years of continuous and exceptional service to the Club. The award may be bestowed no more than once per year, and not necessarily every year. The recipient shall receive free life membership to the Club.

It's my honor to notify you of this prestigious award and thank you for your years of exceptional membership.

Sincerely,
