Getting started in tracking—titles—equipment—rules & more!

A distinguished Professor Emeritus of Meteorology at Pennsylvania State University, Craig Bohren has been training tracking dogs and participating in AKC and ASCA tracking tests for 25 years. He has earned 17 tracking titles on three breeds, Golden Retriever, Australian Shepherd, and Border Collie, including five TDXs and three TDUs. He did Search and Rescue for six years during which he trained one air-scenting dog.
