

LEARN TO COMPETE

(LEVEL 4)

This level of programming is designed for athletes who are ready to take their game to the next level and focuses on striving towards on-course success or tournament-level golf. Physical and golf skill testing is completed in the first class of each session to provide a baseline for tracking progress and give us the ability to formulate a more personalized program plan for each athlete.

This program focuses on practicing refined golf skills and revolves around competitive play to increase player's proficiency in high pressure situations. Physical fitness sessions are more intensive and individualized for enhancing functional performance.

Technical lessons, on-course lessons, supervised practice sessions are all included to optimize each player's learning experience and fix any individual issues. **MYTPI.com**, **MYTRACKMAN.com** and **SHOTBYSHOT.com** are used to help track progress, prescribe specific plans of attack, benchmark and archive each individual players data.

* Learn to Compete meets 2 times a week and includes 4 supervised practice / 9-hole rounds per session.
