

# CBS

DATA | CLARITY | PROGRESS

**Do you enjoy having freedom and flexibility in your schedule? Are you self-motivated and looking for a challenge? Do you want to work with a talented, collaborative, and fun team? If you answered yes and are a BCBA or BCaBA in the Dallas-Ft. Worth area, we want to hear from you!**

**We are looking for behavior analysts who love learning, working independently and as part of a team, collaborating with other behavior analysts and disciplines, and teaching meaningful skills to people of all ages.**

**Location:** Dallas-Fort Worth, and surrounding areas. We have referrals from all over the metroplex, leaving you with the option to build your caseload however you see fit.

**Job Description:**

- create, implement, and update individualized behavior support plans and data collection systems
- train staff, parents, and other care providers
- work with a wide variety of individuals with various disabilities and diagnoses

**With CBS you'll be able to:**

- \* **Set your own hours**
- \* **Create your own schedule**
- \* **Choose the size of your caseload**
- \* **You are not required to work with a set number or type of clients**
- \* **Supervision is available for BCaBAs and BCBAs**
- \* **Case consultation and collaboration is always available and encouraged**
- \* **The entire team meets regularly and is supportive of other team members**

The therapists at Collaborative Behavioral Services are well rounded practitioners who believe every client brings a unique set of strengths and weaknesses. Thus, we tailor our programs to the individual needs of our clients. You will provide behavior support services for individuals with intellectual disabilities, mental health disorders, ASD, and/or problem behaviors, as well as consultation and staff/parent training. Our clients are primarily adolescents and adults although candidates who have only worked with children are also encouraged to apply for the position.

**Qualifications:**

- Master's degree in ABA or a related field
- Valid certification from BACB
- Valid Texas LBA
- You must have access to reliable transportation and be able to meet deadlines
- You must work well in a team and accept feedback willingly
- You must communicate effectively with families and community partners
- You must be willing to drive to clients' homes

**Responsibilities include:**

Developing and implementing behavior plans which include but are not limited to targeting:

- Social skills
- Communication skills
- Daily Living Skills
- Parent Training Objectives
- Staff and Caregiver Training
- Conducting behavioral therapy sessions in homes, schools, and in the community
- Providing services to clients using a team approach

**Pay: \$30-\$40 for BCaBAs and \$50-\$60 for BCBAs depending on experience**
