11790 Snider Rd, Cincinnati 45249

Join us on Tuesday, November 12th! We will hear from Jennifer Zumbiel, of Together Moments, as she gives us interactive ways to create meaningful conversation with our family around the dinner table. Together was born out of a desire to help families make their moments together matter. In today's world of over scheduling and competition with screens, families crave communication that connects them. Together is the dinner table game solution to get conversation going and families connecting. And if we are lucky, maybe our kids will sit at the table for more than 5 minutes! We will also be raffling off Jennifer's newest product, Together date night, for couples who want to talk, gather, and grow.  
Hope you'll come grab a drink, enjoy some apps, and learn a bit more about connecting with your family and/or spouse on a regular basis.
