

The Gathering Church

Our Worship service...

Our worship service, on Sunday morning, begins at 11:00 AM with our Worship Band that plays modern contemporary and some traditional worship music. We believe this to be a time of prayer, to worship Our Lord, and to prepare our hearts and minds to receive the message the Holy Spirit has given to our Pastor.

Our Pastors preach from the Word of God, with messages that are relevant to our lives today. Often, visual aids are used to help with personal understanding, and life application. Prayer and invitation follows our Pastors message in order to give anyone an opportunity to respond as The Lord leads.

The Lord's Supper/Communion is observed every month. We consider this an open invitation to anyone who has made the commitment to make Christ, Lord of his or her life, and has followed that up with Baptism. You do not have to be a member of The Gathering in order to partake in The Lord's Supper.
