Dear Exhibitors, Trainers, Friends & Family of The June Fete,

Welcome to the 2015 June Fete Horse & Pony Show. The committee wants to thank you for your continued support and hope that you have a wonderful, fun-filled, successful day.

New to the show this year is the Bid or Buy Auction which will be held in the Hospitality Tent. Beautifully appointed equestrian themed baskets will be filled with jewelry, gift certificates and home decor. There will even be a basket for the youngest equestrians out there. Please be sure to stop by the tent and bid on your favorite baskets!

Pre-registration by June 4th is highly recommended and speeds the process on show day; however, you may register at the event for an additional charge per class. The Show Secretary requests that you that you bring your completed entry blank, a signed open check payable to AHF Women's Board, USEF/USHJA membership verification, and have measurement cards, if needed, to the secretary stand located in the shed by Ring III.

All vehicles and vans, please enter Gate C, located off Edge Hill Road. Follow the parking attendant's directions to ensure the safety of the riders and horses.

The \$5,000 USHJA National Hunter Derby, to be held in The Dixon Ring (Ring I), will again be the highlight of the show. So do come to participate either as a competitor or supporter. It is always great fun!

Again, many thanks for your support and we wish you much good luck!

Sincerely,  
*Richard Carapellotti*  
*Diane Spreadbury*  
*Maggie Taylor*  
Co-Chairs

**Judging System:** Each class must have a minimum of two judges who sit together. The judging panel will provide one score and the scores from each round will be added to obtain the overall total for each horse. One judge must be an "R" Judge, the other may be either an "R" or "r" Judge. No Judging Panel may award the same base score to any two competitors in any one round.

**First Round:** Judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)

**Second Round:** Judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judges' base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
