SHOW RECORD

BUCKS BUENO TOO started his show career in 1986 and was shown through the year 1996. He was a Buckskin Horse with Dun Factor Points. He was shown in Dun Factor classes from 1987 through 1996 and in those 10 years amassed a total of 1,341 Dun Factor Points and set a record that hasn't been met until today. On the way to setting an unbeatable dun factor record, the horse's placing in dun factor were 240 1st places, 76 2nd places, 503 3rd places, 6 4th places and 3 times 5th place.

When Honor Roll and World Champion titles were awarded BUCKS BUENO TOO was named: 1988 Honor Roll Dun Factor; 1989 Reserve Honor Roll Dun Factor; 1994 Honor Roll Dun Factor and Reserve World Champion Dun Factor and in 1995 Reserve Honor Roll Dun Factor.

In Halter classes, the stallion placed 1st 35 times and 2nd 9 times standing Grand Champion Stallion 11 times and Reserve Grand Champion Stallion 24 times. However, with the lack of stallions being shown in the late 80's and mid 90's, Bucks Bueno Too earned only 4 IBHA halter points. In the 80's halter classes were held for horses 2 and over in age. Buck was also shown under saddle in 1986 and 1987.

The Buckskin Stallion with dun factor points earned the following IBHA lifetime points:

Dun Factor	1,341
Halter	4
Performance	<u>15</u>

TOTAL IBHA POINTS 1,360
