

Hancock County Children's Choir Calendar of Events for Spring 2017

One of the major successes of our organization is that we have supportive, faithful families who realize the importance of regular attendance to rehearsals and scheduled activities. In order for the choir to continue building a standard of excellence and to make sure each choir member maximizes the benefits of choir individually and corporately, we need commitments for the following rehearsals, performances and workshops. **We ask that you carefully preview the following list, and then put these dates on your master calendar.** If you already have known conflicts with any of the following dates, please list those conflicts in the box below. Reminder: Membership in honor ensembles (AV and CL) requires attendance at rehearsals and performances, unless you prearrange an approved absence from Artistic Director, Gayle Roschi.
