

# Learn to Skate Competition

## February 3rd, 2019

### What is it?

A fun competition for skaters to show off their skills! Skaters will compete against others at their level in small groups of 3 or 4. Everyone in each group will receive a medal (gold, silver or bronze). This is a great way to introduce skaters to competition in a low stress & fun environment.

### Who Can Compete?

- Any Skater in any level of the learn to skate program (snow plow Sam to Basic 1-6) or any USFS skater who is working on their pre-preliminary skills.

### What are the events?

There are 2 events skaters may participate in:

- 1) Skills competition: Skaters will show skills at their level, as requested by the judges
- 2) Free Skate Competition: Skaters will perform a one minute routine to music (this will require working with a coach to learn the choreographed routine). More information is available about this component.

### What is the cost?

The cost is \$40 for one event or \$55 for both events
