	What is the commandment or principle?	How have I failed to live by it?	What do I need to do?	What is my specific plan - how will I do it?
Galatians 5:16-17	We are to be so completely engrossed in the Word of God, that sin is not even an option. God's way is completely and totally different from man's way. If we live for ourselves we are against God, and if we are living God's way, we are to put off our own selfish ways. If we have a proper relationship with the Lord, we will be as Jesus, and will not be able to sin, but if we do not have a proper relationship with the Lord, it will be impossible not to sin.	I am very selfish. I want everything to be done my way, on my time schedule, and I get frustrated and sometimes very angry when things don't work out the way I have them planned. Due to guests and sick babies, no one has received a good nights rest in over a month. I am totally exhausted, and I took it out on everyone in my family this week instead of going to the Lord for strength. Example: This week I yelled at my one-year-old because he wouldn't go to sleep. He was screaming, and I was trying to calm him down. After a while, I yelled, "STOP! GO TO SLEEP, LUKE! I HATE IT WHEN YOU DO THIS!" (Needless to say, it didn't help matters at all.)	I need to be very careful about getting angry with my children, especially when they are so small and helpless. I need to be patient when dealing with them, remembering that everything I do helps to mold and shape them into the men they may someday become.	<ol style="list-style-type: none"> 1. I will pray daily and ask God to forgive me for being so selfish and short-tempered. I will ask for God to help me to be patient. 2. I will apologize to each of my family members for being so grouchy this week. 3. I will ask my husband for help when I need it instead of being too stubborn and "independent." 4. I will study and memorize Galatians 5:22-25 along with my assigned memory verses.
