

The May 21st, 2019 Green Space Committee Meeting was called to order at 10:00AM by our President, Margaret Williford. Those in attendance were Sandy Komaskinski, Barbara Vanecko, and Ausra Zarins and our Town Council Liaison, Matrona Malik. .

Our joint presentation with the Shirley Heinze organization in April was well attended and the committee felt that questions from those in attendance provided a good opportunity to inform the townspeople about the two organizations and their respective functions.

We have been requested to provide the Town with the appraised value of the twenty lots donated to Green Space at the date of their acceptance by the Town so that this information can be used for audits. We discussed different ways of possibly obtaining this information. Margaret stated that more current donations would be available on the assessor's website but that we might have more difficulty finding the older donations. Margaret will compile a list of the lots and the values we have to date. Ausra volunteered to look into finding the missing lots. The basis will be calculated on the year donated because no tax would be charged thereafter.

It was determined that we should have a file for each lot to be kept in the Clerk's office; a future committee might have need for information on a donation when we are no longer part of the committee.

Barbara will again contact the person she previously talked with to determine the status of her concerns. The potential donor will need to pay the taxes in arrears as long as she owns the property.

Our April minutes were approved. Our next meeting will be held on June 24th at 9:00 AM.....the time of our future meetings will be discussed at this meeting.

Our meeting was adjourned at 11:00 AM.

Respectfully submitted,

Barbara Vanecko
