MARCH 2021

Pastor's Chatter:

As more people are receiving the COVID vaccine and the number of COVID cases are decreasing, I hope we are beginning to gain back some of our normalcy. I do believe that with the mutations of this COVID-19 virus, and having to wait on herd immunity, it will be a little longer before we don't have to wear masks. Thank you for your patience and endurance. It has been quite a year and one that none of us hopes to experience again—whether students, teachers, medical professionals, young or older people, etc.

I hope maybe by Easter we'll be back worshipping in the Sanctuary, but that is yet to be decided. Right now our boiler system is not working in the Sanctuary or the Educational Building — thus, there is no heat in these two buildings. The Boards of Property, Finance, and Consistory have discussed the problem and a new commercial boiler system has been ordered and will be put in, but it will take at least 3 to 4 weeks. So, please be patient with us. We ALL want to be back in the Sanctuary for Worship. Until then, we will continue to meet in the LEC for Worship on Sundays. Please remember that the Sunday Service is uploaded on our Trinity Facebook and web pages and you may also request mailed copies of the sermon, prayer concerns, etc.

Thank you for your gracious and generous donations to ECCCM — they will be delivered on March 1. During the month of March we'll be collecting backpack items for students at Catawba Elementary. We will place collection boxes in the church office foyer and in the LEC building.

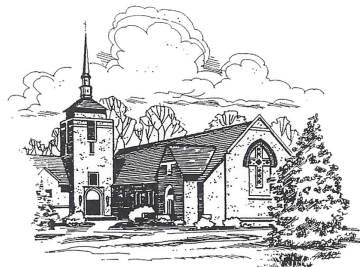

I hope when you receive your new March Spiritual Guide, you'll note the name(s) on each day and call or write a note to some of those folks. I have already heard from church members about receiving some of your notes and how much it has meant to them - Thank you!

Thank you for your continued financial support of our church, your loving affirmation, and your prayers, and the many ways you "step up" to help whenever there's a need, individually or as a church.

May God bless and use us during this Lenten season and especially in all that is going on in our world. Amen!

With Love and Prayers,
Rev. Peggy

From the Children's School:

It is hard to believe that the year is passing so quickly! It still amazes me how much children can learn and accomplish. Watching each child grow and develop is a wondrous experience! Our goal is to provide each child with as many age appropriate experiences and challenges as possible in a happy, loving and fun filled environment.

Open Registration for the Fall 2021-2022 preschool year has begun for the community. This will be on a first-come, first-serve basis for days that are still available. If you need additional forms for siblings, friends or family, please see me. We love the friends you recommend to us!

Just in case winter decides to make a real visit; let me remind you of our **inclement weather policy**. We are closed if Catawba County Schools are closed. If there is a 1-hour delay, we open at 10:00am. If there is a 2-hour delay, we open at 11:00am. If there is a 3-hour delay, we are closed. If during the school day it begins to snow or sleet or flood and the school system closes early, please pick-up your children as soon as it is announced. We want you, your children and our teachers to be able to get home safely!

Tuition is due on the first day of the month and past due on the 11th. Thank you again for your continued support and the presence of your wonderful children! They are truly remarkable.

Peace, Grace and Love,
 Cathy & Teachers
