## What makes a club?

The purpose of the ASC is winter fun! We have over 400 members who are interested in skiing and snow boarding. We attempt to provide unforgettable opportunities for skiing and boarding friends old and new. If you have any ideas for the club, send us a note. Plan this year for the **2017 Northeast Ski & Craft Beer Showcase at the Albany Convention Center adjacent to the Times Union Center**

## A Picnic Where?

Take a turn by the oak tree near the railroad tracks next to the old farm” Well, not quite that bad but the club did venture to the Jansen’s for an after float party in July. The day started with tubing down the Battenkill. No worries about no water this year! After the river trip, we met for a time of food and fun... and it did not rain! Based on the summer this year, that was a miracle! The Jansen’s were gracious hosts in letting us use their fantastic property. Tim provided the excitement giving rides in one of his motorized vehicles. Coming down the mountain is much safer! The picnic was well attended. Thanks

*“ We are new to ASC and met most of you for the first time. With that being said, I wanted to say how welcomed we felt and what a good time we had we had at Aspen/ Snowmass”*

## Join the Albany Ski Team

The Albany Ski Club supports racers of all ages and abilities. Currently there are 3 to 4 races per year. Different clubs sponsor each race as well as the Council.

The races are similar to NASTAR race courses and are designed specifically so that all abilities are able to participate. For information on this season:

### Get involved!

A graphic of a brown, rectangular membership tag with the word "MEMBERSHIP" written in black, slanted capital letters. The tag has a hole on the left side and a small metal fastener.

If you love to ski or board and like to make a difference in the direction of the club, please don't hesitate to get involved! We are always looking for new Officers, Board Members and volunteers! Help out in any way,

If you would like more information on how you can get involved, please contact us!
