**CanSkate** is Skate Canada's flagship learn-to-skate program, designed for beginners of all ages. When you sign up for CanSkate you will be in a program that focuses on fun, participation and basic skill development. You will earn badges and other incentives as you learn fundamental skating skills. Lessons are given in a group format and led by an NCCP certified professional coach. Professional coaches are assisted by trained Program Assistants. The coach to student ratio is a maximum of 1:10. Skaters progress at their own rate and coaches make sessions active using teaching aids, music and a wide variety of activities that create a fun environment and promote learning. CanSkate is the feeder program to all other Skate Canada Skating Programs. A CSA approved hockey helmet is **mandatory** for ALL CanSkaters. For the 2017-2018 season, CanSkate will be offered two days per week. You may sign your child up for one or two days per week, and have the option of selecting a 10 week package or a full 20 week package. Pricing for CanSkate is as follows:

	10 weeks		20 weeks	
	One day	Two Days	One Day	Two Days
<b>One Child</b>	\$150	\$225	\$270	\$405
<b>Two Children*</b>	\$270	\$405	\$486	\$729
<b>Three Children*</b>	\$405	\$729	\$729	\$1094

*\*multiple child rates apply only to children in the same family*

In addition to the above package price, each skater must pay a once-per-year **Skate Canada Registration Fee of \$36.00**. This fee is paid through LSC but is forwarded directly to Skate Canada. This fee provides insurance, tax benefits and access to the Skate Canada Members Only Online system. This fee will be added to your package price on the registration form.

If your child registers for the full 20 weeks or the Winter Session he/she will have the opportunity to participate in our year end Ice Show. Details will be released in March 2019.
